- 5) Soon I will begin to apply for the Foundation of Southern Tier Libraries grant for the youth space area. Here I am looking at new seating areas, a new study table, steam and stem items and storage.
- 6) Julie would like to start a chair yoga class on Friday Mornings starting at 9 am. This would be before the library opens. This way she can dedicate that time to just our patrons. We have not had good success with the Storytime program.

- 8) 3-12 was the directors meeting followed by a policy development meeting. I asked Linda to cover since I would not be back in time to open the building. I came in to work by 7:30 though to get payroll and a few other things done before the meeting.
- 9) On 4-18 there is a summer Learning event at STLS. This event is on a Thursday. I would like to see if someone can cover the library so Julie and I can attend. This is a 1-5 pm shift.
- 10) So far it looks like the spring ce will be on June 14 this is a Friday and Julie will need coverage to go to that event. This is the event where STLS hosts an all-day multiclass training, it usually is in corning. This is a 10-2 pm shift.
- 11) My vacation for this year: I will need coverage for Tuesday July 2<sup>nd</sup>, this is a 1-7 pm shift.
- 12) I am still working on plans for the carnival day and band as well as the summer line up for activities and crafts.
